Subject: RE: ORS Rule to Show Cause Letter of October 18, 2011- requesting to withdraw petition and cancel hearing - DN 2011-270-C

David,
Thanks for your email. The original petition addressed 3 carriers out of compliance; however, the direct testimony revised the list to only 2 carriers. EnTelegent Solutions, Inc. came into compliance by the time we filed our direct testimony so they were removed. I think this answers your question, if not, please let me know. I left a voice message with Jocelyn this morning explaining the same. Could you please confirm the cancellation of the hearing if this information is all you need?
Thanks so much,
Lessie

Nanette, Lessie, Jeff, and Pam:
We have Lessie's letter of October 18, requesting cancellation of the hearing on the Rule to show cause for today. The letter mentions disposition of the issue with 2 of the 3 companies originally stated in the Rule Petition. The letter does not mention what happened with EnTelegent Solutions, Inc. Please advise as to any resolution with EnTelegent Solutions.
Thanks,

David Butler
